

Are you ready for the BEST SUMMER EVER? We are! All of our staff are excited to spend the summer with your little camper for what we know is going to be a summer they'll never forget! Our camps have been reimagine this year for children to explore, discover and challenge themselves. Campers will continuously explore new adventures that will allow them to grow and push themselves to new levels. Check it out for yourselves! We'll see you in July!

Summer 2021 Safety Guidelines:

Carrollwood Day School is committed to a summer experience that's safe and enjoyable for each and every camper. We have done due diligence to ensure that the safety protocols put in place to allow us to offer in-person learning through-out the school year are also mirrored in our Summer Programs. We guarantee your camper will have a summer filled with laughs, memories and new friends in a safe and joyous environment!

Summer 2021 Safety Protocol put in Place:

- All instructors and camp employees will wear facemasks. Students in rising kindergarten and above will be required to wear face masks indoors, as well as outdoors, when social distancing is not applicable.
- Enrollment will be limited to 15 students or fewer per camp, unless the camp is held outdoors where social distancing is applicable.
- We ask that parents drop-off and pick-up in the designated location- in front of the Gymnasium-and refrain from exiting their vehicle. (All forms can be emailed to Auxiliary & Summer Programs Coordinator, Melissa Hill, at mhill@carrollwooddayschool.org).
- Car tags must be displayed during pick-up and drop-off.
- Classrooms and high-traffic areas of the buildings used will be disinfected each day.
- If a child has a fever of 100 degrees F or higher, or shows symptoms of COVID-19, he or she will be sent home. The child will be unable to return to camp until he or she is asymptomatic and fever free (without the use of medication) for 72 hours.
- In the event of an instructor's illness or a confirmed case of COVID-19 within a particular camp, that camp will be cancelled and a full refund will be issued.
